I am a visitor in Greenville. On Jan. 11 & 12 I used the Uber service from downtown to my daughter's house. I can say, with all sincerity, that my experience was very good. The Lady chauffeurs were kind, knowledgeable, safe drivers and the service was quick and quite efficient! I visit other cities frequently and much more inclined to use Uber if available. A very positive offering here in your beautiful, Up and Coming city! Do Not discontinue UBER! It is a PLUS!

With great appreciation for Greenville, a happy visitor, Lydia Yañez Oaxaca, Texas (Ca., Chicago)

Subject: South Carolina Uber

Ladies/Gentlemen:

As an Uber drive this is very disturbing. I work two jobs in order just to pay the bills and you want to take away the one job that I really love. Greenville has become a huge Uber city, there are lots of people from other states that move here and come to visit that have this service in their area and love it. It would be detrimental to discontinue Uber in South Carolina. As you well know that Greenville is a growing city and to go backwards instead of forwards gives out the wrong signal to the people moving here, that have recently moved here, and people visiting our city.
